The Glass Room

Our newest private dining room has very quickly become our most popular room as well. This room features everything that our guests love about the lower level of La Dolce Vita: atmospheric lighting, exposed stone walls, beautiful wood accents, and rich coloring. This room offers the feeling of being in your own private restaurant as it creates a decidedly intimate environment for you and your guests. It is the largest private room that we offer, leaving plenty of room for displays, as well as, room for mingling. A perfect choice for business functions, rehearsal dinners, or larger family gatherings

Capacity:
40 people

We require a minimum of 20 people to reserve this room privately. If less, a guarantee of \$250.00 will be assessed.

La Dolce Vita West Room

Located on the main level of La Dolce Vita, this room offers some of the most beautiful features of our restaurants. Upon entering you will most certainly notice our mirrored wall which is overlaid by a magnificent flowered light fixture that was originally a part of Main Street Ventures historic Maude's restaurant. A corner fireplace with wood paneling is yet another unique and exceptional feature in this very popular meeting room. This room works very well for larger events and leaves plenty of room to mingle with your guests.

Capacity:
30 people

To reserve this room privately we require a minimum of 11 people. If less, a guarantee of \$250 room charge is assessed.

The Wine Cellar

Nestled in the Cigar Lounge of La Dolce Vita, this particular room has become *the* place to dine in Ann Arbor. Because of the intimacy of this room it is an excellent choice for an anniversary party, a pharmaceutical dinner, or simply a quiet place for dinner. Three walls are touched by wine racks so guests can feel a part of our restaurant's tradition of excellence in wine. The artistic stenciling along the glass reflects on the room's nature as a crossroads between The Chop House and LaDolce Vita. It also allows our guests a glimpse of the always lively atmosphere of our famous Cigar Lounge, which is a true Ann Arbor tradition. This room is definitely a favorite among our regular guests due to its charming layout and intimacy.

Capacity:
18 people

To reserve this room privately we require a minimum of 10 people. If less, a guarantee of \$100.00 per person.

The Chef's Table

From its inception this table has become the most sought after and exclusive dining place in Ann Arbor. Located in our front window, it is truly a place to be seen. Though it is not an enclosed area, it is a favorite dining spot amongst our regulars. The plush, high backed chairs lend themselves to the pampering atmosphere that is always experienced when dining at The Chop House. Another option available exclusively to the Chef's Table is a specially designed tasting menu for you and your guests tailored specifically to your tastes by our own Executive Chef, Brandon Johns.
